Kada se činilo da u izlivima vinske kreativnosti Alešu Kristančiču nema ravnoga, pojavio se njegov sin Lan koji je za kratko vreme kolekciju Alešovih artistsko-vinskih radova uredno posložio i dao im možda još jasnije konture, ostavljajući vrata otvorenim za neku još uzbudljiviju budućnost vinarije *Movia*. Da se fanovi ove vinarije ne uplaše, Aleš i Lan savršeno funkcionišu, a svi tragovi ekscentričnog i ekstremno prirodnog vinarstva *Movia* su tu. Vinograd je još uvek gospodar, a u podrumu je sve podređeno kristalnoj čistoći ukusa oštih ivica. Mineralnost koja obavlja vina *Veliko Rebula* i *Veliko Belo* kulminira u gotovo onostranom *Lunaru*. S druge strane, *Modri Pinot* primer je kako pino noir igra tango u Goriškim brdima, dok je *Veliko Rdeče* i dalje glavni plesač u onim mističnim igrama kompleksnih koraka i dugog trajanja.

Just when it seemed that no one could match Aleš Kristančič's wine creativity, his son Lan, in a short time, neatly organised Aleš's collection of artistic-wine creations, giving them perhaps even clearer contours while setting the stage for an even more exciting future for the *Movia* winery. Fans of this winery should not worry, Aleš and Lan work together harmoniously, and all the traits of *Movia*'s eccentric and extremely natural winemaking keep existing. The vineyard is still the master, and in the cellar everything is dedicated to the crystal-clear purity of sharp-edged flavours. The minerality featuring the wines *Veliko Rebula* and *Veliko Belo* culminates in the almost otherworldly *Lunar*. Nevertheless, *Modri Pinot* is an example of how Pinot Noir dances the tango in the Goriška Brda, while *Veliko Rdeče* is still the lead dancer in those mystical dances of complex steps and long ageing.

## VODEĆE VINO VELIKO REBULA

**Berba 2018.**  
**Sorte** ribolla (rebula)

U slojevitoj aromatskoj paleti naglašene su note zrelog voća – žute šljive, žute jabuke, mandarine i kore narandže, na koje se nadovezuju herbalni i tonovi vanile i slame. Kompleksnost se nastavlja i na ukusu, gde se pojavljuju i note meda i sladića, kao i osvežavajuća mineralnost koja, uz vrlo žive kiseline, prožima blag kremasti karakter. Punijeg tela i vrlo intenzivne i kompleksne završnice.

**Majstorski urađeno vino koje pokazuje da rebula uz pomoć burića može da podari izuzetnu kompleksnost u herbalno-voćno-mineralno-začinskom spektru.**

## FLAGSHIP WINE VELIKO REBULA

**Vintage 2018.**  
**Varieties** ribolla (rebula)

In the layered aromatic palette, the intensive notes of ripe fruit – yellow plum, yellow apple, tangerine, and orange peel – are enhanced by herbal tones as well as the hints of vanilla and straw. The complexity continues on the palate, where the notes of honey and licorice can be felt along with refreshing minerality interwoven with lively acidity and a mild creamy character. Full-bodied wine with an intense and complex finish.

**A masterfully crafted wine demonstrates how Rebula, aided by barrel aging, can offer exceptional complexity in the herbal-fruity-mineral-spicy spectrum.**
