## Summer Sparklers

by Joshua Greene

### Movia Puro Rosé 2003

Riper and leesier than the 2002 (which may be due to the way this bottle was disgorged), this wine has a rustic side--hinting at wheat beer and raspberry flavors--as well as refinement in the balance, firm bubbles and fresh, salt air finish. It's a robust sparkling wine that needs decanting to show its best. For roast chicken with fennel.
